INT. STUDIO

JAMES is standing at a podium. He has some papers in his hand. He's holding up his hands. REPORTERS are calling his name.

NOTE: If you can get 3-4 people to call your name that would be great. If not the bit may still work.

REPORTERS

James! James! James

JAMES

No more questions. No more questions. But before I go I would like to say I'm sure some of you feel some of my answers may have been somewhat evasive. But there's a reason for that.

James points at the camera.

JAMES (CONT'D)

That camera man isn't wearing pants and it's very disconcerting.

James exits.

REPORTERS

James! James James!

Cut to CAMERAMAN turning from his camera to another nodding and smiling as the reporters call out.
