

BOB

Written by
Chris Zell

INT. LIVING ROOM - DAY

An item is on a table.

NOTE: It would be great if it was the letter B carved in foam with blinking lights in it. The lights would blink when Bob spoke.

ANNOUNCER (V.O.)

You've heard the comforting voice of Alexa guiding you through your life. You've been eased through everyday situations by Siri. But you've never had a true personal digital assistant until you've heard Bob.

MAN (V.O.)

"Bob? What should I have for dinner?"

BOB (V.O.)

"What are you? Some kind of moron? Look in the fridge, something looks edible eat it."

ANNOUNCER (V.O.)

Bob's not like those other personal digital assistants. He's not going to sugar coat it.

WOMAN (V.O.)

"Bob? I think I'm coming down with something."

BOB (V.O.)

Yeah, it's probably chlamydia from one of those losers you date.

ANNOUNCER (V.O.)

Bob may be a little gruff but we're sure once you get used to him you'll find him very helpful.

MAN (V.O.)

Bob? What's the weather today?

BOB (V.O.)

What are you? Blind? Put on your big boy pants. Stick your head out the window and find out for yourself.

MAN (V.O.)

But Bob?

BOB (V.O.)

Don't but Bob me. Figure something out for yourself for once.

WOMAN (V.O.)

Bob? What's my horoscope for today?

BOB (V.O.)

Today will start off amazing.

WOMAN (V.O.)

That's so good to hear, Bob.

BOB (V.O.)

Followed by a swift but painful death.

ANNOUNCER (V.O.)

You can also ask Bob personal questions about himself

MAN (V.O.)

Bob? Can you rap?

ANNOUNCER (V.O.)

You? Across the face? Indubitably.

WOMAN (V.O.)

Bob? Are you married?

BOB (V.O.)

I'd rather not. . .

BRENDA (V.O.)

. . .who are you talking to? Bitch, who's talking to my man?

ANNOUNCER (V.O.)

And if you want a soothing female voice we also offer Brenda.

WOMAN (V.O.)

Brenda? Should I go out with that cute guy, Derek?

BRENDA (V.O.)

If you did you'd be a fool.

WOMAN (V.O.)

Brenda, I. . .

BRENDA (V.O.)
. . .I, I, I shit. I just ran a
credit check on him and, girl, I
see fast food leftovers in your
future with him.

WOMAN (V.O.)
Thanks, Brenda.

BRENDA (V.O.)
And you don't even want to get into
his criminal record.

ANNOUNCER (V.O.)
Bob and the new Brenda. Taking your
personal digital assistants to a
whole more level.
